Message from the Principal, Mrs Jody Stehbens

Kruger State School is an Outstanding School in the Discipline Audit

We have received confirmation that we have 4 outstanding grades and one High for the recent Discipline Audit. This is one of the highest grades that any school has received in Queensland.

The purpose of the Discipline Audits is to provide quality feedback on how our school is ensuring a safe, supportive and disciplined learning environment and to inform school behaviour management planning processes.

During the audit, an independent, experienced school principal worked with the Leadership Team, teachers and parents in the school to collect a range of data and information about school wide programs and procedures in the area of discipline and management.

The areas of Audit and our grades were

- Principal Leadership - Outstanding
- Parent and Community Engagement - High
- Data Informed Decision – Making - Outstanding
- Clear Consistent Expectations for Behaviour - Outstanding
- Explicit Teaching of Appropriate Behaviour to all Students - Outstanding

The dedication and Best Effort of the Kruger Team has resulted in this significant success in our School Improvement Agenda. Particular acknowledgment and thanks goes to our Deputy Principal Mrs Moore and her Positive Behaviour Support Teacher Committee Team - Ms Backwell, Ms Jones, Ms Wilton, Mrs Wootton, Mrs Mansfield, Ms Kenning, Mrs Greatrex, Ms Kerslake who lead the implementation of this agenda in the school. Many of our teacher aides also supported the team with administrative work around the documentation and resources. Sincere thanks to everyone!

You can view the full report’s Executive Summary, 5 page profile “Confirmations and Recommendations” on our school website www.krugerss.eq.edu.au.

The Leadership team will work with the school community to include any recommendations in the school’s forward planning.

Focus On - Discipline Audits – Factsheet for Parents & Carers

Kruger State School is an outstanding School in the Discipline Audit.

As part of an initiative to strengthen discipline in Queensland State schools, Discipline Audits will be conducted in every Queensland state school by November 2014. The purpose of the Discipline Audits is to provide quality feedback on how the school is ensuring a safe, supportive and discipline learning environment and to inform school behaviour management planning processes.

During the audit, an independent, experienced school principal will visit the school to collect a range of data and information about school-wide, programs and procedures in the area of discipline.

Interviews will also be conducted with staff, students and parents to gather a range of perspectives on school strategies and practices in relation to behaviour management.

The Discipline Audit will usually take one to two days, depending on the school’s context and size. The school will receive the auditor’s report within 15 days and key findings will be discussed with the principal, the school’s Leadership team and school staff.

The report’s Executive Summary and 5 page Profile will be made available to parents and caregivers on the school’s website. The principal will work with the school community to include any recommendations in the school’s forward planning around strengthening discipline.

What a great performance by Kruger students and last term’s regional athletics carnival. All of our athletes performed very well on the day, especially our relay teams. We look forward to another fantastic term.

### Donations of Preloved Kruger SS Uniforms

We are in great need of preloved Kruger SS uniforms to be held at the office for emergencies. If you have any uniforms available, we would be grateful if you could please donate them to the school. We would appreciate donations of clean uniforms, any sizes, as some student may need to change into these uniforms if required. Thank you for your assistance.

### Head Lice

It has come to our attention that we currently have a number of cases of head lice in the school.

Some parents in each class are being very responsible by checking and treating their children regularly, but this is only effective if **EVERY** child is checked and treated, as well as other members of the family.

The Health Department advises that it is the parents' responsibility to detect and treat head lice infestations.

Teachers and Child Health Nurses are not expected to do head inspections as this is not part of their duties.

**PLEASE CHECK YOUR CHILD AND OTHER FAMILY MEMBERS AND TREAT PROMPTLY IF YOU FIND EGGS (NITS) OR LICE.**

In the event that it comes to our attention that a child has head lice, we need to act in accordance with departmental policy. This requires us to contact parents to ask for prompt attention to treatment. **Children who have head lice do not need to be excluded from school if correct treatment has been recently applied.**

**Ipswich Hospital Open Day – Saturday 15th November 9am – 1pm**

The Open Day is an opportunity to showcase Ipswich Hospital’s exciting future as part of West Moreton Hospital and Health Service. We have a state-of-the-art new facility and a new Health Service Plan specifically prepared for the West Moreton catchment to guide our service delivery in the years ahead.
We also have five Community Reference Groups across West Moreton Hospital and Health Service and the overarching Community Advisory Council formed to ensure a community voice in the provision and planning of health services.

The Open Day is being planned in collaboration with the Ipswich Hospital Foundation. The event, to be held from 9am – 1pm will include tours of the hospital facilities, as well as interactive displays and activities supporting key health messages. We anticipate up to 1,000 people from the community will visit the hospital for the event. They will have the opportunity to see and hear how the Blueprint for better healthcare in Queensland is coming to life in Ipswich, and the wider West Moreton region.
