Message from the Principal, Mrs Jody Stehbens

Goodbye Mrs Evans

After 30+ years of teaching, and 13 of those years at Kruger, Gail Evans, our excellent Art Specialist, will retire at the end of this term.

Mrs Evans began her teaching career at Rockhampton High School, going to Mackay State High where she took up a Head of Department position, before taking time out for a family. Returning to work, she was posted to Boonah High School. Gail changed sectors and was transferred to Kruger.

Highlights of Mrs Evans time at Kruger as an art Specialist have been teaching the Year 3’s in earlier days, and in later years, the Year 4’s and Year 5’s. Mrs Evans has fond memories of the Artist In Residence Programs, the Numbelli Seat Project (for which Kruger’s entry won the Cultural Heritage Award) and the 3+6 Exhibition, which won the Qld Innovation and Showcase Award. She also talks fondly about the Hungry Caterpillar Exhibition and the Jeanie Baker Canvases that the students created.

Mrs Evans and her students have enhanced our school’s physical environment over the years with the music mural, the Multicultural Mural, the Insect Sculptures and, lastly, the Positive Behaviour Murals.

Gail’s retirement is bittersweet for us. We’re pleased for Gail as we all know that she is looking forward to retirement, but it is a great loss for the Kruger Community.

We thank you, Gail, for what you have given to our students and community and wish your good health and enjoyment in your next stage of life.

**Focus on Finger Gym – Melanie Denton (Head of Special Education Services)**

This term we have been trialling Finger Gym three mornings a week before school. The Finger Gym program not only focuses on fine motor skills (cutting, manipulating objects, moving muscles), it also aims to promote the development of school readiness skills such as:

- Asking for help
- Maintaining a stable sitting position
- Organising work space and equipment
- Following visual and auditory directions
- Initiating and completing a task
- Transitioning from one task to another
- Problem solving
- Becoming aware of other students and their needs

Some of the activities that students have been completing include:

- Threading
- Sorting
- Cutting
- Puzzles
- Tying knots

The activities are divided into 5 categories: strengthening skills (big muscles/strong hands); sensory and planning skills; fine motor coordination skills; pencil to paper skills and cutting skills. The students have enjoyed participating and are having fun learning new skills.

A special thank you to all of the parents that have been ensuring their child is at school at 8:00am on the days we run the program. Without your commitment to this, we would not have been as successful.

Class teachers are in the process of identifying students that may benefit from being in this program in Term 4. If you have any concerns about your child, please see the class teacher. Please note there are limited spaces available.

These can be purchased at the office for $5.00 while supplies last.

Junior Sports Day

What a wonderful day we had during our recent sports carnival. The weather was great and we had lots of parents come and support our students.

I was impressed at the attitude and behaviour of all students during the carnival. I was also extremely pleased with the year 7 helpers, who did a fantastic job at running each station. Well done.

On the day, the students competed for two trophies: The Shelly Copping Memorial Trophy for tabloid sports and an overall sports day trophy. The scores were extremely close and the results for each house were as follows:

Tabloid Sports

- Blue House 1629 points
- Gold House 1611 points
- Green House 1589 points
- Red House 1489 points

Sprints

- Red House 286 points
- Green House 272 points
- Blue House 268 points
- Gold House 266 points

Overall position

- Blue House 1897 points
- Gold House 1877 points
- Green House 1861 points
- Red House 1775 points

We congratulate Blue house for winning tabloid sports and for winning the overall trophy. Well done to Red House for winning...
the Shelly Copping Memorial Trophy. We look forward to cross country. Well done everyone!

**Donations of Preloved Kruger SS Uniforms**

We are in great need of preloved Kruger SS uniforms to be held at the office for emergencies. If you have any uniforms available, we would be grateful if you could please donate them to the school. We would appreciate donations of clean uniforms, any sizes, as some student may need to change into these uniforms if required. Thank you for your assistance.

**Head Lice**

It has come to our attention that we currently have a number of cases of head lice in the school.  

Some parents in each class are being very responsible by checking and treating their children regularly, but this is only effective if EVERY child is checked and treated, as well as other members of the family.  

The Health Department advises that it is the parents’ responsibility to detect and treat head lice infestations.  

Teachers and Child Health Nurses are not expected to do head inspections as this is not part of their duties.  

PLEASE CHECK YOUR CHILD AND OTHER FAMILY MEMBERS AND TREAT PROMPTLY IF YOU FIND EGGS (NITS) OR LICE.  

In the event that it comes to our attention that a child has head lice, we need to act in accordance with departmental policy. This requires us to contact parents to ask for prompt attention to treatment. Children who have head lice do not need to be excluded from school if correct treatment has been recently applied.

**School Watch during School Holidays**

School Watch is a community based awareness and crime prevention program aimed at safeguarding schools against vandalism, theft and arson.
