Message from the Principal, Mrs Jody Stehbens

Kruger Got Talent

Our Annual Kruger’s Got Talent Performance will be held on Tues 24th June at 6pm. The auditions have been held and the finalists have been chosen. Students will be practicing over the next couple of weeks ready for a polished performance on the night.

Once again, our teachers are volunteering their time and skills to make this event happen.

Please be aware that all students attending this event need to be accompanied by a parent. No students are able to perform or be in the audience without parent supervision.

We are asking for a gold coin donation that will go towards supporting Student Council projects.

A teacher is retiring

Sue Stafford will be retiring at the end of this Term. She has been at Kruger since 2009 and has taught in classroom positions as well as worked with our English as a Second Language students and their families; in particular our Refugee students.

Sue began her teaching career at Goodna State School. After having a family, she spent 20 years at Brassall SS and joined our team in 2009. She has been active in a variety of educational and community groups. During her career, Sue has taught every primary year level except for Prep.

Thank you to Sue, for her strong work ethic over many years, her dedicated service to Education Queensland students and for sharing her professional expertise with teachers over a long career. Once again thank you, Sue.

Student Absences

If your child is absent from school, it is a legal requirement that you notify the school so that the absence can be explained. Unexplained absences require us to send home a list of absences for you to record a reason for the absence. This paperwork is time consuming for you and us. A simpler way to record the absence is to phone the 24 hr Student Absence Line or send a letter when your child returns to school, explaining the reason for the absence.

Student Absence Line Phone 3814 9360.

Assessment and Reports

Students are just finishing off Semester 2 assessment. If students have had a lot of absences during this time, the assessments may not be complete. An overall grade will be given on the completed work. If you have any questions about report cards, please see your child’s teacher.

Reports will be handed out on Thursday 26th June 2014.

Nationally Consistent Collection of Data on School Students with Disability

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

In 2013, 10% of Queensland state schools participated in the first year of implementation. In 2014, two thirds of Queensland schools will participate and all schools will be collecting data from 2015. Our school has been involved in the nationally consistent collection of data from last year.

Please be reassured that the Department will not provide any data that can identify an individual student for other organisations. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important, not only for the data collection, but also to ensure you aware of the adjustments being provided to support your child. We will therefore continue to consult with you.
While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know.

Information and fact sheets are available to help you make a decision from the:

**Principal on Leave (repeat)**

I will be on long service from Thursday 6th June. My leave will be for the last 3 weeks of this term. I will return for the beginning of Term 3. Justin Smith, our Deputy Principal will be Acting Principal. Michael Hamilton, a Year 6 teacher, will be Acting Deputy Principal during this time.

**Focus On - Every Day Counts at Kruger State School**

One of Kruger’s most important aims this year is to have every student attend school on every school day. Regular attendance at school has proven to be one of the most important things to improve student achievement- and that’s what we are about - improving student achievement.

I have asked all teachers to regularly talk with students about “Every Day Counts” and the importance of being on time to school every day.

Below are some very interesting facts:

1 or 2 days absent from school may not seem much but

<table>
<thead>
<tr>
<th>If your child misses....</th>
<th>That equals...</th>
<th>Which is...</th>
<th>And over 13 years of schooling that’s...</th>
</tr>

<td>Over 2 years 5 months</td>
</tr>
<tr>
<td>2 days per week</td>
<td>80 days per year</td>
<td>16 weeks per year</td>
<td>Over 5 year</td>
</tr>
</tbody>
</table>

Early Departures ……. Every Minute Counts....

Part of regular school attendance is being at school all day. 8.25a.m. – 2.30p.m. I understand that occasionally there will be a reason for students to be collected earlier than 2.30p.m, but this needs to be an occasional rather than a regular thing. I encourage you to avoid collecting your child early, unless it is for an emergency situation.

Below are some staggering calculations to support the Every Day All Day Counts message

Just a little bit late
or
Leave a little bit early but...

**Staying Safe around Bats**

Children need to be aware that bats, including flying foxes, are protected species and pose minimal risk to humans provided they are left alone and not touched. However, children should not try to hurt or help sick or injured bats as they are putting themselves and the animal at risk. If you see a bat or flying fox that is hurt call:

- RSPCA—1300 ANIMAL (1300 264 625)
- Department of Environment and Heritage Protection—1300 130 372

If a child is bitten or scratched by any bat, they should tell their parents, teacher or responsible adult straight away, wash the wound thoroughly with soap and water and visit their local doctor immediately.

**Head Lice**

It has come to our attention that we currently have a number of cases of head lice in the school.

Some parents in each class are being very responsible by checking and treating their children regularly, but this is only effective if EVERY child is checked and treated, as well as other members of the family.

The Health Department advises that it is the parents’ responsibility to detect and treat head lice infestations.

Teachers and Child Health Nurses are not expected to do head inspections as this is not part of their duties.

**PLEASE CHECK YOUR CHILD AND OTHER FAMILY MEMBERS AND TREAT PROMPTLY IF YOU FIND EGGS (NITS) OR LICE.**

In the event that it comes to our attention that a child has head lice, we need to act in accordance with departmental policy. This requires us to contact parents to ask for prompt attention to treatment. **Children who have head lice do not need to be excluded from school if correct treatment has been recently applied.**

**School Safe – Ipswich City Council**

**Your Child’s Safety is our Priority!!**

Ipswich City Council proactively monitors parking at schools to help improve your child’s safety.

Council’s ‘Safe parking at Schools’ initiative aims to ensure people park safely and legally, improving community safety through education of your school community rather than focusing on enforcement.

The initiative also includes the use of Patrolling Officers, Automatic Numberplate Recognition camera cars and remote movement activated cameras to capture parking offences.

Safe and legal parking is generally located within 300m of a school.

Please drive and park safely around your school – It’s your child’s safety.

Council works with your school though the Healthy Active School Travel program to encourage families to walk and cycle to and from school and improve health and road safety.

For more information about safe travel routes contact your school or contact Ipswich city Council on (07) 3810 666.

**MiYoga**

Does an 8 week mindfulness yoga program, “MiYoga”, enhance cognitive functions such as attention, physical strength, behaviour and emotional control in children with...
cerebral palsy? MIYoga incorporates a family centered approach to therapy by inviting a caregiver to participate alongside their child. We will also want to see if MIYoga can relieve caregiver stress and improve parent child relationship.

We are looking for children with diplegia or hemiplegia cerebral palsy, aged 6-16 years old, who can walk independently or with a gait aid (GMFCS I-III) and one of their caregivers.

Hassle-Free Mealtimes Triple P – Positive Parenting Program

Are you experiencing problems with your child’s eating and mealtime behaviour?

Eating and mealtime problems in children are common and can be improved. The Parenting and Family Support Centre at the University of Queensland is conducting research regarding the effectiveness of a brief parenting seminar for parents who are concerned about their child’s eating, and you can be involved!

The Hassle Free Mealtimes Triple P program involves attending a one-off 2-hour group session, which will provide parents with information and helpful everyday tips and strategies for dealing with problem eating and improving their child’s mealtime behaviour.

If you are a parent of a 2 to 5-year-old child and are concerned about your child’s feeding and mealtime behaviour, we would love to hear from you!

Hassle-Free Mealtimes Triple P has already been trialled successfully in a longer format. The current study hopes to provide support for brief group-based parenting interventions so that more parents can have access to parenting advice. Results of this study will be made available to participants.

Would you like your family to live a healthier lifestyle?

Raising healthy children is an important aspect to positive parenting. Your child’s physical health can affect their growth and development, their ability to participate in school, sport and other activities, and how they get along with other children. Children who eat well and stay active are more likely to develop into healthy adults. Researchers at the University of Queensland are currently offering a FREE Triple P parenting program to parents of children 3 to 10 years in exchange for participation in research.

Across three seminars you will learn strategies for…

- Managing both general and lifestyle-specific child problem behaviours
- Helping your child eat a healthy balance of nutritious foods
- Motivating your child to be more active
- Limiting screen time

The program is run at St Lucia and Ipswich, with free childcare available for families. To register visit our website: www.exp.psy.uq.edu.au/life

Triple P - Are you a Parent of a Child with Type 1 Diabetes?

Every day, thousands of Australian children suffer the effects of type 1 diabetes and families struggle with illness management and children’s behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P- Positive Parenting Program offering practical ideas and support for parents of children with type 1 diabetes. This innovative group program is designed to help parents manage their child’s illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P as part of a University of Queensland research project. Parents will be able to attend the program free of charge, and will be asked to complete 2 sets of assessment measures (questionnaire and family observation) over a 6 month period, as part of the study.
