Enrolment Policy

All students, whose principal place of residence is within the school's relevant catchment area, are entitled to enrol at the school (subject to the Act).

Under the Act, the student must be living within catchment at the time of enrolment application in order to be eligible to enrol at a school with a School EMP.

Proof of residency requirements: Parents or legal guardians who wish to enrol their child at the school are required to demonstrate that the **student's principal place of residence** is within the catchment area. Current proof of residency at the address indicated can be provided as follows:

- One primary source – a current lease agreement, rates notice, or unconditional contract of sale, **and**
- One secondary source – a utility bill (e.g. electricity, gas) showing this same address and parent's/legal guardian's name

Please note: Drivers licence is not accepted

If the Principal is not satisfied that the documentation provided by an applicant adequately demonstrates that the address stated is the student's principal place of residence, then the Principal may request further sources of proof of residency.

In addition to the documents listed above, students living with a relative/other person within catchment must provide the following:

- Properly sworn Statutory Declaration from the student's parent/legal guardian; and
- Properly sworn Statutory Declaration from the person/s the student will be residing with in-catchment.

The Principal may also request additional pieces of proof of residency and interview/s with all parties to discuss the living arrangement.
