

# Investing for Success

Under this agreement for 2022  
Kruger State School will receive

**\$789, 282\***

## This funding will be used to

- Increase the number of students achieving C or above in English.
- Support students in their transition to schooling, with a specific focus on literacy in the early years.
- Continue to improve pedagogical practices across the school.
- Utilise a range of supports for students, specifically students with speech and language difficulties.
- Continue to build expert teaching teams across the school.

## Our initiatives include

- Building capacity in teaching teams in Reading and Learning Engagement through the use of a coaching model, professional development and supporting resources.
- Supporting early literacy development through the provision of a quality Playgroup program for the community.
- Supporting families with transition to schooling through a Prep transition program.
- Utilising the expertise of a Speech Language Pathologist to inform school programs.
